New: Eyewear Dispensing Program

Eyewear fulfillment for independent in-network eye care professionals

Choice of labs for eye care professionals

- Access to any of 75 Essilor network labs nationwide (no longer required to use a Davis Vision lab).

Improved ordering system

- Streamlined ordering process through a brand-new online portal, with a catalogue featuring innovative lens products from top manufacturers.

Enhanced and expanded product offering

- Larger variety of lenses, including the most utilized and requested digital progressives, antireflective coatings, and blue light protection.
- Essilor is one of the largest eyewear manufacturers in the world with a nation-wide network of labs, advanced technology, and lens innovation.

**For eye care professionals:
